HB 728 - SB 663

SUMMARY OF BILL: Requires subsurface sewage disposal permit applicants to notify the Department of Environment and Conservation (TDEC) of pending soil percolation tests scheduled to be completed at least five days, instead of three days, prior to such completion.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Increasing the number of days from three to five that an applicant has to notify TDEC of pending soil percolation tests scheduled for completion is estimated to not result in a significant fiscal impact to TDEC.
